NIH Public Access Policy: In order to assist our authors who have NIH funding to comply with this policy, Mary Ann Liebert, Inc. publishers will deposit the final accepted paper (after copyediting and proofreading) to PubMed Central (PMC) on behalf of the authors. Authors need not take any action. The manuscript's public access posting on PMC will occur 12 months after final publication. This service is provided free of charge. Please note that authors may **not** deposit manuscripts directly to PMC or other sites without permission from Mary Ann Liebert, Inc.

NIH-funded authors who would like their papers to be posted on PMC immediately without the above-mentioned embargo period will have the option to make their articles available free online via Liebert Open Option for a one-time fee of \$3,000.00 USD described above. This fee also makes the article free in perpetuity on the Liebert Online site.

Authors funded by HHMI and Wellcome Trust: Please follow the instructions for Liebert Open Option below.

Liebert "Open Option": Authors who would like their papers posted free online with immediate unrestricted open access may pay a \$3,000.00 USD fee. Authors publishing their second or subsequent papers using Open Option will receive a 50% discount (\$1,500.00 USD). Authors from an organization that has an Institutional Membership* also pay the reduced Open Option fee of \$1,500 .00 USD for all papers, including their first Open Option paper. (* An Institutional Membership is defined as an organization which has an e-license for the entire Liebert Online journal collection, either directly with us or as the member of a participating consortium.)
